

These Terms and Conditions ("T&C") govern the use of the Sound Show - Desktop software ("the Software"), developed and provided by Laurent Herbin, an independent entrepreneur based in Belgium ("the Publisher").

By downloading, installing, or using the Software, the user ("the User") agrees to these T&C.

1. Publisher Information

Laurent Herbin
111, Rue du Mont
1360 Perwez
Belgium

Company number: 1030.576.401

Contact form: <https://soundshow.app/contactus>

2. Nature of the Software

Sound Show - Desktop is a free soundboard application for Windows, macOS, and Linux.

It provides a basic set of features for casual or professional use.

The Software may also include references to the paid version, Sound Show Pro - Desktop, but using the free version does not require purchase or registration.

3. Free Usage

The Software is provided free of charge and may be used:

- For personal or professional purposes
- On any number of devices
- By any number of users

No license key or activation is required.

The User may also share, copy, or distribute the Software installer as long as:

- It is shared as-is, without modification
- The original source is clearly identifiable
- The present T&C are not removed or altered

4. Prohibited Uses

Even though the Software is free, the User is not allowed to:

- Reverse-engineer, decompile, or attempt to access the source code

- Modify or redistribute a modified version of the Software
- Remove copyright or ownership notices
- Bypass, remove, or alter any functionality intended to distinguish the free version from the paid version

Any attempt to modify the Software may result in legal action.

5. Updates

The Publisher may provide updates from time to time.

Updates may:

- Add new features
- Remove features
- Adjust limitations of the free version
- Introduce compatibility changes

The Publisher is not obligated to provide updates or ongoing support.

6. Support

Support for the free version is provided without any guarantee and may be limited in time or scope.

Users may contact the Publisher via: <https://soundshow.app/contactus>

7. Warranty Disclaimer

The Software is provided "as is", without any form of warranty, including:

- Uninterrupted availability
- Compatibility with all devices or systems
- Absence of bugs or defects

The User acknowledges that:

- The Software may malfunction
- Features may change over time
- The free version may include limitations compared to the Pro version

Use of the Software is entirely at the User's own risk.

8. Limitation of Liability

To the fullest extent permitted by law, the Publisher is not liable for:

- Loss of data

- System failures
- Financial or operational damages
- Direct or indirect harm caused by the use or inability to use the Software

In all cases, the Publisher's total liability for the free version is zero euros, consistent with its free-of-charge nature.

9. GDPR & Personal Data Protection

The free version of the Software does not require user registration and does not collect personal data via the app itself.

However, the Publisher's website and support form may collect personal data such as:

- Name
- Email address
- Messages submitted through the contact form

These data are used exclusively to respond to support requests or to improve the service.

Under the GDPR, Users may request:

- Access
- Correction
- Deletion
- Portability
- Limitation or objection

Requests must be submitted via the contact form: <https://soundshow.app/contactus>

Data is never sold and only shared where legally required.

10. Intellectual Property

The Publisher owns all rights to the parts of the Software created by the Publisher.

The Software also includes third-party libraries and components subject to their own licenses, open-source or proprietary.

These components remain the property of their respective authors.

Users must comply with the applicable third-party licenses.

Nothing in these T&C transfers ownership to the User.

11. Termination

The Publisher cannot technically restrict or disable the User's access to the Software once downloaded.

However, the Publisher may revoke the User's right to use the Software if the User:

- Modifies the Software
- Distributes altered versions
- Attempts to circumvent limitations
- Violates these T&C or applicable law

In such cases, the User must stop using and delete the Software.

The User may uninstall or cease using the Software at any time.

12. Force Majeure

The Publisher is not responsible for failures or delays caused by events beyond reasonable control, including natural disasters, cyberattacks, or widespread outages.

13. Governing Law & Jurisdiction

These T&C are governed exclusively by Belgian law.

Any dispute shall be handled by the competent courts of Belgium, unless mandatory rules specify otherwise.

14. Acceptance

By downloading, installing, or using the Software, the User confirms acceptance of these Terms & Conditions.
